Dear Chamber of Commerce Member:

Dr. Russ Reisner and Dr. Priyesh Tawar opened our new optometry office and optical in August of last year. We are located on Southridge Drive next door to the new Tim Horton's and across from Rylie's Cattlebarn. We would like to take this opportunity to offer the Chamber members a 25% discounted rate on all of our eyewear products.

Our modern dispensary offers an extensive collection of over 1,000 designer and fashion eyewear frames and sunglasses as well as safety frames. We also provide full comprehensive eye examinations and contact lens fittings. Our friendly and professional staff will be there to assist you with all of your eyewear needs!

If you would like to take advantage of our offer please contact us by phone at 403-938-3889 or by email [okotoks@urbanoptique.ca](mailto:okotoks@urbanoptique.ca). We look forward to hearing from you.

Sincerely,
